

Project LEAD teachers,

For those of you that are eager to purchase your technology components here is the latest information regarding purchasing.

Apple Macbook computers – Purchase from the local Apple Store at the Santa Rosa Plaza or purchase on-line from the on-line Apple store. Be sure in either case you identify yourself as an educator or if purchasing on-line go to the education section of the Apple Store. Either way you will get the education price for the laptop.

LCD projectors and document cameras – You can purchase directly from Troxell Communications. (Free shipping)

To order from Troxell Communications: call or email Lanny Rutkin at 707-642-0166 or lanny.rutkin@trox.com

LTU LTUDC265 DOC CAMERA, PORTABLE, SXGA, 1080P \$670.00

LTU LTUDC211 DOC CAMERA, PORTABLE, SXGA, 2 VGA OUT \$509.00

HIT HITCPX2011 PROJECTOR 2200 LUMEN XGA 500:1 \$579.00

AGI AGIA35MM06 CABLE AUDIO 3.5MM STEREO MALE - MALE 6FT

For information on the two Lumens document cameras go to:

http://www.visualedtech.com/Lumens/index_document_camera.htm

The main difference between the two is the DC265 has one touch audio and video recording to an SD card on the camera, where as the DC211 can capture video via a USB cable to the computer.
