2009 PAEMST AWARDEES ANNOUNCED

On June 7, 2010, President Obama named 103 mathematics and science teachers as recipients of the prestigious Presidential Award for Excellence in Mathematics and Science Teaching.

"Science and technology have long been at the core of America's strength and competitiveness, and the scientists and engineers who have led America on its remarkable path to success share something very precious: science and math teachers who brought these critical subjects to life," said President Obama. *"Today we honor some of the best of these teachers and thank them for their dedication. They are inspirations not just to their students, but to the Nation and the world."*
